

In Bad Fix

"I had a mishap at the age of 41, which left me in bad fix," writes Mrs. Georgia Usher, of Conyers, Ga. "I was unconscious for three days, and after that I would have fainting spells, dizziness, nervousness, sick headache, heart palpitation and many strange feelings. "I suffered greatly with ailments due to the change of life and had 3 doctors, but they did no good, so I concluded to try Cardui.

"Since taking Cardui, I am so much better and can do all my housework."

Take **CARDUI**

The Woman's Tonic

Do not allow yourself to get into a bad fix. You might get in so bad you would find it hard to get out. Better take Cardui while there is time, while you are still in moderately good health, just to conserve your strength and keep you in tip top condition.

In this way your troubles, whatever they are, will gradually grow smaller instead of larger—you will be on the up-grade instead of the down—and by and by you will arrive at the north pole of perfect health.

Summer Prices Anthracite Coal.

Our 1910 summer prices on Anthracite coal will become effective Monday, May 2nd, 1910. There has never been a time in the history of our business when we felt that we were able to give better values in Anthracite coal than we can this season, as we have completed our arrangements to secure our entire supply from two or three of the very best collieries in the Anthracite region, and will have a coal which is uniform in quality, well prepared, and coal that will give far better results than the average.

It is our desire to give our trade the best values that can be had, and we earnestly solicit the orders of our friends and customers.

The Overland factory is at this time 3,000 cars behind on orders. It is not hot air and it is not advertising bluff when we say that the demand for the Overland is growing like a flood. These are actual facts and there is a reason. The very fact that Overlands are hard to get proves their value all the more, and they are well worth waiting for. Give us the "wink" and we will try to get one for you.

Attempt to Reform a Woman. London, May 11.—A belated attempt to reform Annie Connor, seventy years old, nearly 41 years of which have been spent in prison, was begun today by a group of persons interested in the reform of the system of magistracy in England, of which the woman is declared to have been the victim. The woman has served fourteen prison sentences, having been first arrested when she was fourteen years old on a charge of petit larceny, her offense being nothing more than a girlish prank. Despite the fact that she was of good parents and that it was her first offense, the magistrates gave her four months in prison. After this sentence she was literally driven to a life of crime, as everyone turned against her. She is now under sentence of one year for shop-lifting.

Privates Callahan, McCarthy, Stansberry and Sieder were shot from a ambush in the day, when a quarter of a mile off the reservation, Private's Quigley and McNally were attacked and wounded by men with shotguns.
